**Light Fawn**  
**(Sire) DLH ALEXS JESTER**  
**(Dam) Midnight**

**Gavin is proof of how to get superior results from selective breeding. The fleece on this boy is outstanding. Gavin's sire Alpamayo's Accolade has impeccable qualifications of which the most noticeable is his extremely dense and crimped fleece. Gavin's dam, EAF Michelle, has the fleece and conformation which made her a first place winner at the AO Show in 2009. Gavin is lively, curious and well bonded with his mother. We have high hopes for his future success. Gavin has started his show career and he didn't disappoint us! He received a 2nd place ribbon in a very tough class. We have received Gavin's histogram results for 2011 and they confirm what we already knew. Gavin has GREAT FIBRE! This little guy is going to make a great herdsire some day. Gavin is owned by Eden Alpaca Farm Inc. and can be viewed at Victory Farm Alpacas.**
