Michelle has it all - perfect conformation; very dense , fine, and crimped fleece; and a gentle nature coupled with intelligence. At 3 years old, she still has a AFD of 21.48 u! When she was first shown at the Norfolk County Fair in 2008, judge Ray Howard (USA) announced to the crowd that this girl would stand up to the stiffest competition and should be shown as often as possible. Perhaps his words were prophetic as she did win 1st place in the AO Full Fleece Halter Show in 2009.

Michelle is owned by Eden Alpaca Farm Inc. and can be viewed at Victory Farm Alpacas.
